SUPERVISED RELEASE

Upon release from imprisonment, the defendant shall be on supervised release for a term of 4 years.

The defendant shall report to the probation office in the district to which the defendant is released within 72 hours of release from the custody of the Bureau of Prisons.

The defendant shall not commit another federal, state, or local crime.

The defendant shall not unlawfully possess a controlled substance. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

[] The above drug testing condition is suspended based on the court's determination that the defendant poses a low risk of future
substance abuse. (Check, if applicable.)
[] The defendant shall cooperate in the collection of DNA as directed by the probation officer. (Check, if applicable).

[] The defendant shall register with the state sex offender registration agency in the state where the defendant resides, works, or is a student, as directed by the probation officer. (Check, if applicable).

[] The defendant shall participate in an approved program for domestic violence. (Check, if applicable).

If this judgment imposes a fine or restitution, it is a condition of supervised release that the defendant pay in accordance with the Schedule of Payments sheet of this judgment.

The defendant must comply with the standard conditions that have been adopted by this court as well as with any additional conditions on the attached pages.

The sentence imposed satisfies the purpose set forth in 18 U.S.C. 3553(a)- including the necessity of deterrence and just punishment, promotion of respect for the law, protection of the public, avoidance of unwarranted sentencing disparities, and assurance of correctional treatment for the defendant and restitution to any victims of the offense- and reflects full consideration of all factors relevant to the sentencing determination- including the nature and seriousness of the offense, the history and characteristics of the defendant, the kinds of sentences available, and the advisory range and policies prescribed by the United States Sentencing Commission. The Court finds that the sentence imposed is reasonable in light of these considerations.
